JUNE 2022 DISTRIBUTION ESTIMATE

The Directors of BWP Management Limited, the responsible entity for the BWP Trust (“the Trust”), today announced the following preliminary distribution estimate and other relevant distribution details for the six month period to 30 June 2022.

Relevant dates:

- the ex-distribution date is 29 June 2022,
- the record date is 30 June 2022,
- the last date for elections for the distribution reinvestment plan is 1 July 2022.

In accordance with the Trust’s constitution all distributable profit will be distributed. The estimated distribution, based on current forecasts, is 9.27 cents per unit (including approximately 0.26 cents of capital profits). It is expected that there will be no conduit foreign income included in the distribution.

The actual distribution will be considered at a meeting of the BWP Management Limited Board of directors scheduled for 3 August 2022 and payment of the distribution entitlement is expected to be made on 19 August 2022.

The distribution will be subject to the Trust’s distribution reinvestment plan (DRP). The allocation price for the units under the DRP will be calculated as the average of the daily volume weighted average unit price on each of the 20 consecutive trading days from and including 5 July 2022 to 1 August 2022. The directors have determined that no discount shall apply to the allocation price and the DRP will not be underwritten. Units to be allocated under the DRP will be acquired on-market and transferred to participants on 19 August 2022. A broker will be engaged to assist in this process. Participation in the DRP is open to all unitholders whose addresses are in Australia and New Zealand.
