Distribution reinvestment plan

The distribution will be subject to the Trust’s distribution reinvestment plan (DRP). The directors have determined that no discount shall apply to the allocation price and the DRP will not be underwritten. Units to be allocated under the DRP will be acquired on-market and transferred to participants on 28 February 2024. A broker will be engaged to assist in this process. Participation in the DRP is open to all unitholders whose addresses are in Australia and New Zealand.
