## IMPORTANT NOTICE

### Introduction

---

This Information Memorandum relates to a debt issue programme (**Programme**) established by BWP Management Limited (ABN 26 082 856 424) in its capacity as responsible entity for the BWP Trust (ARSN 088 581 097) (the **Issuer**) for the issue of medium term notes and other debt instruments (the **Notes**) from time to time up to the then applicable Programme Amount (as defined in the **Summary of the Programme** below).

Terms used in this Information Memorandum but not otherwise defined have the meaning given to them in the Conditions (as defined below).

### Responsibility for Information

---

The Issuer has authorised the issue of this Information Memorandum and accepts responsibility for it, other than in respect of information relating to the names, addresses and other details of Relevant Parties (as defined below).

Other than checking that their respective names, addresses and other details referred to in this Information Memorandum are correct as at the Preparation Date (as defined below), neither of the Arranger, the Agents, any Dealer appointed to the Programme (each as defined in this Information Memorandum), nor any Dealer appointed in respect of a particular issue of Notes, nor any director, employee, agent, adviser or affiliate of any such person (together, the **Relevant Parties**) has been involved in the preparation of this Information Memorandum or makes any representation or warranty, express or implied, about and assumes no responsibility for the correctness or completeness of, or any errors or omissions in, any information, statement, opinion or forecast contained in this Information Memorandum or in any previous, accompanying or subsequent material or presentation with respect to or in connection with the Issuer, the Programme or any Notes.

Each Relevant Party accordingly disclaims all and any liability whether arising in tort, contract or otherwise which it might otherwise have in respect of the Information Memorandum. The Relevant Parties named in this Information Memorandum have acted pursuant to the terms of their respective engagements, have not authorised or caused the issue of, and take no responsibility for, this Information Memorandum and do not make, and should not be taken to have verified, any statement or information in this Information Memorandum (other than in respect of their name, address and other details in the Directory in this Information Memorandum).

As at the Preparation Date, the information contained in this Information Memorandum (by incorporation or otherwise) is not to the best of the Issuer's knowledge, information and belief misleading or deceptive or likely to mislead or deceive in any material respect by omission or otherwise.

## Distribution and Confidentiality

---

This Information Memorandum does not constitute and may not be used as an offer or invitation in any place where, or to any person to whom, it would not be lawful to make the offer or invitation.

This Information Memorandum has been prepared solely for use in connection with the Programme and for distribution on a confidential basis to prospective investors for the proposed offering of the Notes under the Programme as described herein. Its contents may not be reproduced or used in whole or in part for any other purpose other than the Programme nor given to any other person without the written permission of the Issuer.

Potential investors in debt instruments which may be issued by the Issuer should refer to any disclosure or offering document relevant to the issue of those debt instruments.

## Nature of Offer or Issue

---

Each offer or invitation to issue or purchase a Note:

- must be, if received in Australia, an offer or invitation in respect of which no disclosure is required to be made under Part 6D.2 or Part 7.9 of the *Corporations Act 2001* (Cth) (the **Corporations Act**); and
- must comply with any other applicable laws and regulations.

Notes will be issued in denominations of A\$10,000 or such other denominations as agreed between the Issuer and the Dealers and set out in the relevant Pricing Supplement.

In respect of offers or invitations received in Australia, Notes may only be issued or sold in circumstances that would not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act. Such Notes may only be issued or sold if the consideration payable by the relevant purchaser is a minimum of A\$500,000 or its foreign currency equivalent (disregarding amounts, if any, lent by the Issuer or other person offering Notes or its associates (within the meaning of those expressions in Part 6D.2 of the Corporations Act)), unless the offer or sale does not otherwise require disclosure to investors under Parts 6D.2 or Part 7.9 of the Corporations Act and Notes may not be issued or sold to a retail client as defined for the purposes of section 761G of the Corporations Act.

## Restrictions on Circulation

---

The distribution of this Information Memorandum, including any Pricing Supplement (as defined below), and the offer for subscription or purchase and invitations to subscribe for or buy Notes may be restricted by law in certain jurisdictions. Neither the Issuer nor any Relevant Party represents that this Information Memorandum may lawfully be distributed, or that Notes may lawfully be offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assumes any responsibility for facilitating any such distribution or offering.

In particular, no action has been taken by any of those parties which would permit a public offering of any Notes or distribution of this Information Memorandum in any jurisdiction where action for that purpose is required.

Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Information Memorandum nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented, or will represent, that all offers by them will be made on the same terms. Persons into whose possession this Information Memorandum or any Notes come must inform themselves about, and observe, any such restrictions.

Neither this Information Memorandum nor any other disclosure document in relation to the Notes has been, or will be, lodged with the Australian Securities and Investments Commission, the Australian Stock Exchange operated by ASX Limited (ABN 98 008 624 691) or any other governmental body or agency. This Information Memorandum is not, and does not purport to be, a document containing disclosure to investors for the purposes of Parts 6D.2 or 7.9 of the Corporations Act.

### **PROHIBITION OF SALES TO EEA RETAIL INVESTORS**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the **EEA**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, **MiFID II**); (ii) a customer within the meaning of Directive (EU) 2016/97 (the **Insurance Distribution Directive**), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the **Prospectus Regulation**). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

### **PROHIBITION OF SALES TO UK RETAIL INVESTORS**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (the **UK**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (the **EUWA**); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (the **FSMA**) and any rules or regulations made under the FSMA to implement the Insurance Distribution Directive, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA (the **UK Prospectus Regulation**). Consequently, no key information document required by the PRIIPs Regulation as it forms part of domestic law by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

**EU MiFID II Product Governance/Target Market** – The Pricing Supplement in respect of any Notes may include a legend entitled "EU MiFID II Product Governance/Target Market" which will outline the target market assessment in respect of the Notes and which channels for distribution of

the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue of Notes about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the **MiFID Product Governance Rules**), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

**UK MiFIR Product Governance/Target Market** – The Pricing Supplement in respect of any Notes may include a legend entitled "UK MiFIR Product Governance/Target Market" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a **Distributor**) should take into consideration the target market assessment; however, a distributor subject to the UK MiFIR Product Governance Rules set out in the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue of Notes about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

#### **Notification under Section 309B(1)(c) of the Securities and Futures Act 2001 of Singapore**

In connection with Section 309B of the Securities and Futures Act 2001 of Singapore (the **SFA**) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the **CMP Regulations 2018**), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes issued or to be issued under the Programme are 'prescribed capital markets products' (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products), unless otherwise stated in the Pricing Supplement in respect of any Notes. For a description of certain restrictions on offers, sales and delivery of Notes and a distribution of this Information Memorandum, Pricing Supplement or other offering material relating to the Notes, see the section headed 'Selling and Transfer Restrictions'.

Each issue of Notes will be made pursuant to such documentation as the Issuer and the relevant Dealer(s) (if applicable) may determine. The terms and conditions (**Conditions**) applicable to the

Notes are included in this Information Memorandum. In the case of an issue of a Tranche or Series of Notes a pricing supplement (**Pricing Supplement**) will be issued, which may supplement, amend, modify or replace the Conditions applicable to Notes of a relevant Tranche or Series.

The Issuer may also publish a supplement to this Information Memorandum (or additional Information Memoranda) which describes the issue of Notes (or particular classes of Notes) not otherwise described in this Information Memorandum.

Neither this Information Memorandum nor any other information supplied in connection with the Programme or the issue of any Notes describes the risks of an investment in any Notes. ## CORPORATE PROFILE

All information in this section is current as at the date of this Information Memorandum.

### Business description

BWP Trust (**BWP** or **Trust**) is a real estate investment trust investing in and managing commercial properties throughout Australia. Most of the Trust's properties are warehouse retailing properties, in particular, Bunnings Warehouses leased to Bunnings Group Limited (**Bunnings**). Bunnings is a wholly owned subsidiary of Wesfarmers Limited (**Wesfarmers**), one of Australia's top 10 listed companies, with a market capitalisation in excess of \$100 billion.<sup>1</sup>

### History

BWP was established as the Bunnings Warehouse Property Trust under a trust deed pursuant to the Corporations Act and listed in September 1998 on the Australian Securities Exchange. At listing, the Trust had \$170 million of properties located in Western Australia, Victoria, Queensland, South Australia and the ACT and had a market capitalisation of \$132 million. Upon listing, Wesfarmers held a 25 per cent interest in the Trust and has continued to maintain a significant investment over the 27 years post the Trust's listing (holding 23.5 per cent at 30 September 2025).

On 5 August 1999, Bunnings Warehouse Property Trust was registered as a Managed Investment Scheme by the Australian Securities and Investments Commission. At the same time, a wholly owned subsidiary of Wesfarmers, Bunnings Property Management Limited (now named BWP Management Limited) assumed the role of responsible entity for the Trust from Perpetual Trustees Company Limited.

In October 2001, the Trust was admitted for the first time to the S&P/ASX 200 and S&P/ASX200 Property Indices.

In March 2024, the Trust acquired a controlling stake in a listed stapled security property trust, Newmark Property REIT (**NPR**), and owned 100 per cent by June 2024.

As at 30 June 2025, the Trust now owns approximately \$3.7 billion of investment properties and has a market capitalisation of approximately \$2.5 billion.

On 1 August 2025, the internalisation of the management of BWP occurred, with BWP Management Limited (the **Responsible Entity**) and its subsidiaries being purchased from Wesfarmers by BWP Trust unitholders through a new entity, BWP Property Group Ltd (**BWP Property Group**). The BWP corporate group now comprises BWP Trust and BWP Property Group (**Stapled Entities**), which are listed on the Australian Securities Exchange (**ASX**) on a stapled basis.

### Operations

The following is a summary of the Trust's operations and activities. Further details are available in the Trust's reports, presentations, announcements and information on the Trust's website.

As at the 30 June 2025, the Trust owned 82 properties of which 66 properties were leased to Bunnings (with 10 of these having adjacent retail showrooms that the Trust owns and are leased to

---

<sup>1</sup> As at August 2025.

other retailers), three standalone showroom properties, nine multi-tenanted large format showrooms, two industrial properties and two vacant ex-Bunnings Warehouse properties. The Trust is progressing the re-positioning of three properties where Bunnings has vacated or has indicated that it will not renew leases at the end of the current term and is undergoing a sales campaign for two other properties that Bunnings has vacated.

The Trust's main source of income is the rent paid by Bunnings and other tenants for leasing their respective premises from the Trust. Rent is generally based on the area of the property leased by the tenant, and typically does not have reference to the tenant's turnover at the premises. Growth in rental income typically comes from acquiring additional leased properties and from increases in rent from existing properties. Rents from existing properties grow as a result of annual incremental rent increases and periodic market reviews in accordance with the lease. Rental growth may also occur when there are upgrades to existing properties, with these investments made by the Trust rentalised.

The main items of expense for the Trust are borrowing costs and the costs of running (largely salaries and wages) the responsible entities for managing the Trust. The amount of borrowing costs is determined by the level of borrowings the Trust has from time to time, and the interest rates, margins and bank costs associated with those borrowings. The costs of running the responsible entities are largely influenced by the number of team members required to be employed to manage the operations of the Trust, and retaining these team members.

The Trust's assets are predominantly comprised of its investment properties. Investment properties are revalued biannually to assess their fair value based on market conditions and the circumstances of each particular property. Changes in the fair value of properties because of revaluations are recorded as an unrealised revaluation gain or loss for the period and do not affect distributable profit. Borrowings to fund investment in properties are the Trust's largest liability and typically represent 20 to 30 per cent of the value of the Trust's total assets.

As required by the Trust's constitution, the Trust distributes all its net profit each six months, excluding unrealised movements in the fair value of investment properties, as well as other items as determined by the directors.

## **Management**

Previously, the Trust was managed by an external responsible entity, BWP Management Limited which was appointed under the Trust's constitution and operated under an Australian Financial Services Licence. The Responsible Entity was committed to managing the Trust and 100 per cent owned sub-trusts (NPR) solely and was paid a quarterly fee based on the gross assets of the Trust. The Responsible Entity was a wholly-owned subsidiary of Wesfarmers.

On 1 August 2025, the Responsible Entity was internalised with BWP Management Limited and its subsidiaries being purchased from Wesfarmers by BWP Trust unitholders through a new entity, BWP Property Group. The costs of running the Responsible Entity are now reflected in the Stapled Entities' accounts, with all team members being transferred from Wesfarmers Limited to a company within the Stapled Entities.

The Responsible Entity has a board of directors comprising a majority of independent directors, who are also directors of BWP Property Group Ltd. Further information regarding the board structure, selection and independence of directors is available in BWP's corporate governance

statement available at: <http://www.bwptrust.com.au/site/About-Us/corporate-governance>. Profiles of each director and key management personnel are also available on BWP's website at <https://www.bwptrust.com.au/site/About-Us/board-and-management>.

### **Financial position**

BWP's latest financial results including its annual reports are available at: <https://www.bwptrust.com.au/site/investor-centre/results>.

### **Principal unitholders**

BWP's largest security holder is Wesfarmers (via a wholly-owned subsidiary) with approximately 23.5 per cent of the issued units as at 30 September 2025. BWP's second largest security holder is The Vanguard Group Inc. and their associates with approximately 7.26 per cent of the issued units as at 4 August 2025. The third largest security holder is State Street Corporation and its subsidiaries with approximately 6.01 per cent of the issued units as at 21 April 2025. The Responsible Entity is not aware (through substantial holder notices lodged with the Australian Securities Exchange or otherwise) of any other holder of more than five per cent of any of its voting securities.

### **Related party transactions**

Disclosure of related party transactions is made in the notes to the latest BWP annual report, which is available at: <https://www.bwptrust.com.au/site/investor-centre/reports>.

*Capitalised terms used in the summary are defined in the Conditions.*

Two or more persons registered as Noteholders are taken to be joint holders with right of survivorship between them.
- (b) Upon a person acquiring title to a Note by virtue of becoming registered as the owner of that Note, all rights and entitlements arising by virtue of the Deed Poll in

respect of that Note vest absolutely in the registered owner of the Note, so that no person who has previously been registered as the owner of the Note nor any other person has or is entitled to assert against the Issuer, the Issuing Agent, the Registrar or the registered owner of the Note for the time being and from time to time any rights, benefits or entitlements in respect of the Note.

## **2.3 Currency and amounts**

- (a) Notes will be denominated in Australian dollars and issued in minimum denominations as set out in the Pricing Supplement.

## **2.4 Inscription conclusive**

Each inscription in the Register in respect of a Note is:

- (a) sufficient and conclusive evidence to all persons and for all purposes that the person whose name is so inscribed is the registered owner of the Note;
- (b) evidence for the benefit of the relevant Noteholder, that a separate and individual acknowledgement by the Issuer of its indebtedness to that person is constituted by the Deed Poll and of the vesting in such person of all rights vested in a Noteholder by the Deed Poll; and

## **2.5 Manifest errors**

The making of, or the giving effect to, a manifest error in an inscription into the Register will not avoid the constitution, issue or transfer of a Note. The Registrar must correct any manifest error of which it becomes aware.

## **2.6 No certificate**

- (a) Except as permitted under paragraph (b), no certificate or other evidence of title shall be issued by or on behalf of the Issuer to evidence title to a Note unless the Issuer determines that certificates should be made available or that it is required to do so under any applicable law or regulation.

## **2.7 Status of the Notes**

- (a) The Notes are direct, unsecured and unsubordinated obligations of the Issuer and rank without preference or priority among themselves and at least equally with all present and future unsubordinated and unsecured obligations of the Issuer (subject to laws and principles of equity generally affecting creditors' rights or as provided by operation of law).
- (b) The ranking of Notes is not affected by the date of registration of any Noteholder in the Register.

## **3 Interest**

### **3.1 Application**

Notes may be interest bearing on a fixed or floating rate basis, as specified in the relevant Pricing Supplement.

### **3.2 Period of accrual of interest**

Interest accrues on Notes, from (and including) the relevant Interest Accrual Date at the applicable Interest Rate. Interest ceases to accrue on such Notes from (and including) the relevant Maturity Date unless default is made in the payment of any principal amount in respect of such Notes. In that event any overdue principal of a Note continues to bear interest at the default rate specified in the relevant Pricing Supplement (or if no default rate is specified, the last applicable Interest Rate), both before and after any judgment, until it is paid in full to the relevant Noteholder.

### **3.3 Interest Payment Dates**

Interest is payable in arrears on the relevant Interest Payment Dates.

### **3.4 Calculation of Interest Amount**

The Interest Amount must be calculated by the Calculation Agent by applying the Interest Rate to the Outstanding Principal Amount of each applicable Note, multiplying such sum by the relevant Day Count Basis for the relevant Interest Period and rounding (with halves being rounded up) the resultant figure to, in the case of Australian Dollars, the nearest cent and in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

### **3.5 Notification of Interest Rate and Interest Amount**

The Issuer will procure that the Calculation Agent will, if requested in writing by a Noteholder who holds any Note, notify that Noteholder of the Interest Rate, the Interest Amount and the relevant Interest Payment Date. In relation to a Note, the Interest Amount and the Interest Payment Date (but in no event, the Interest Rate) so notified may be subsequently amended (or appropriate alternative arrangements made by the Issuing Agent or other person appointed for that purpose referred to in the relevant Pricing Supplement by way of adjustment) without notice if and to the extent that the Interest Period is extended or shortened.

### **3.6 Notification, etc. to be final**

Except as provided in Condition 3.5 all notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 3 by the Calculation Agent are (in the absence of manifest error) binding on the Issuer, the Issuing Agent and all Noteholders of Notes and no liability to those Noteholders attaches to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions, or to the Issuer in connection with any direction to the Calculation Agent for the appointment of an Independent Adviser in the circumstances contemplated under the definition of BBSW Rate and/or AONIA Rate.

### **3.7 Floating Rate Notes**

If the Pricing Supplement specifies the Interest Rate applicable to that Tranche of Notes as being 'Floating Rate', the Interest Rate applicable to such Notes during each Interest Period will be the sum of the Margin and the Benchmark Rate, each as specified in the relevant Pricing Supplement.

### **3.8 Maximum or Minimum Interest Rate**

If the Pricing Supplement in respect of a tranche of Notes being designated 'Floating Rate' specifies a 'Maximum Interest Rate' or 'Minimum Interest Rate' for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. If no rate is specified, the Minimum Interest Rate shall be zero. For the avoidance of doubt, the Interest Rate will be determined by the Margin plus the Benchmark Rate.

### **3.9 Benchmark Rate Determination**

- (a) Where BBSW Rate Determination or AONIA Rate Determination is specified in the relevant Pricing Supplement as the manner in which the Interest Rate is to be determined for each Interest Period, the Interest Rate applicable to the Floating Rate Notes for each such Interest Period is the sum of the Margin and either (x) the BBSW Rate or (y) the AONIA Rate as specified in the relevant Pricing Supplement.
- (b) Each Noteholder shall be deemed to acknowledge, accept and agree to be bound by, and consents to, the determination of, substitution for and any adjustments made to the BBSW Rate or the AONIA Rate, as applicable, in each case as described in this Condition 3.9 and in Condition 3.10 (*Benchmark Rate fallback*) below (in all cases without the need for any Noteholder consent). Any determination, decision or election (including a decision to take or refrain from taking any action or as to the occurrence or non-occurrence of any event or circumstance), and any substitution for and adjustments made to, the BBSW Rate or the AONIA Rate, as applicable, and in each case made in accordance with this Condition 3.9 and Condition 3.10, will, in the absence of manifest or proven error, be conclusive and binding on the Issuer, the Noteholder and each Agent and, notwithstanding anything to the contrary in these Conditions or other documentation relating to the Notes, shall become effective without the consent of any person.
- (c) If the Calculation Agent is unwilling or unable to determine a necessary rate, adjustment, quantum, formula, methodology or other variable in order to calculate

the applicable Interest Rate, such rate, adjustment, quantum, formula, methodology or other variable will be determined by the Issuer (acting in good faith and in a commercially reasonable manner) or, an alternative financial institution (acting in good faith and in a commercially reasonable manner) appointed by the Issuer (in its sole discretion) to determine.

- (d) All rates determined pursuant to this Condition 3.9 and Condition 3.10 shall be expressed as a percentage rate per annum and the resulting percentage will be rounded if necessary to the fourth decimal place (i.e., to the nearest one ten-thousandth of a percentage point) with 0.00005 being rounded upwards.

### **3.10 Benchmark Rate fallback**

If:

- (a) a Temporary Disruption Trigger has occurred; or
- (b) a Permanent Discontinuation Trigger has occurred,

then the Benchmark Rate for an Interest Period, whilst such Temporary Disruption Trigger is continuing or after a Permanent Discontinuation Trigger has occurred, means (in the following order of application and precedence):

- (i) where BBSW Rate is the Applicable Benchmark Rate, if a Temporary Disruption Trigger has occurred with respect to the BBSW Rate, in the following order of precedence:
  - (A) first, the Administrator Recommended Rate;
  - (B) then the Supervisor Recommended Rate; and
  - (C) lastly, the Final Fallback Rate;
- (ii) where the AONIA Rate is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (i) above, if a Temporary Disruption Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required will be the last provided or published level of AONIA;
- (iii) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (i) or (ii) above, if a Temporary Disruption Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required will be the last rate provided or published by the Administrator of the RBA Recommended Rate (or if no such rate has been so provided or published, the last provided or published level of AONIA);
- (iv) where BBSW Rate is the Applicable Benchmark Rate, if a Permanent Discontinuation Trigger has occurred with respect to the BBSW Rate, the rate for any day for which the BBSW Rate is required on or after the Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
  - (A) first, if at the time of the BBSW Rate Permanent Fallback Effective Date, no AONIA Permanent Fallback Effective Date has occurred, the AONIA Rate;

- (B) then, if at the time of the BBSW Rate Permanent Fallback Effective Date, an AONIA Permanent Fallback Effective Date has occurred, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Fallback Rate; and
  - (C) lastly, if neither paragraph (A) nor paragraph (B) above apply, the Final Fallback Rate;
- (v) where the AONIA Rate is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (iv)(A) above, if a Permanent Discontinuation Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required on or after the AONIA Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
  - (A) first, if at the time of the AONIA Permanent Fallback Effective Date, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Rate; and
  - (B) lastly, if paragraph (A) above does not apply, the Final Fallback Rate; and
- (vi) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (iv) or (v) above, respectively, if a Permanent Discontinuation Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required on or after that Permanent Fallback Effective Date will be the Final Fallback Rate.

When calculating an amount of interest in circumstances where a Fallback Rate other than the Final Fallback Rate applies, that interest will be calculated as if references to the BBSW Rate or AONIA Rate (as applicable) were references to that Fallback Rate. When calculating interest in circumstances where the Final Fallback Rate applies, the amount of interest will be calculated on the same basis as if the Applicable Benchmark Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect but with necessary adjustments to substitute all references to that Applicable Benchmark Rate with corresponding references to the Final Fallback Rate.

### 3.11 Definitions

and determined based on the five year median of the historical differences between the BBSW Rate and AONIA, that adjustment spread will be deemed to be acceptable for the purposes of this paragraph (a); or

the relevant successor rate or alternative rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for Benchmark Rate-linked floating rate notes at such time (together with such other adjustments to the Business Day Convention, interest determination dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such successor rate or alternative rate for Benchmark Rate-linked floating rate notes at such time), or, if no such industry standard is recognised or acknowledged, the method for calculating or determining such adjustment spread determined by the Calculation Agent (in consultation with the Issuer) to be appropriate; provided that

  - (i) the Registrar's decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under the applicable Agency Agreement; and
  - (ii) the Noteholder does not rely on any fact, matter or circumstance contrary to sub-paragraph (i).

In acting under the Agency and Registry Services Agreement in connection with the Notes, the Registrar acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders save insofar as that any funds received by the Registrar in accordance with the Agency and Registry Services Agreement shall, pending their application in accordance with the Agency and Registry Services Agreement, be held by it in a segregated account for the persons entitled thereto.

The Issuer reserves the right at any time to terminate the appointment of the Registrar in accordance with the Agency and Registry Services Agreement and to appoint successor or additional registrars, provided, however, that the Issuer must at all times maintain the appointment of a registrar with its specified office in Australia. Notice of any such termination of appointment will be given to the Noteholders in accordance with Condition 12.

## **8.3 Multiple Noteholders**

Subject to the Corporations Act, if more than 4 persons are the holders of a Note, the names of only 4 such persons will be entered in the Register.

Subject to the Corporations Act, if more than one person is the holder of a Note, the address of only one of them will be entered on the Register. If more than one address is notified to the Registrar, the address recorded in the Register will be the address of the Noteholder whose name appears first in the Register.

## **8.4 Noteholder change of address**

A Noteholder must promptly notify any change of address to the Registrar.

## **8.5 Closing of Register**

The registration of the transfer of a Note may be suspended by the Registrar (and the Register shall be closed for the purpose of determining entitlements to payment under a Note) after the close of business on the eighth or other day in accordance with the Regulations prior to each Interest Payment Date (if any) and each Maturity Date of the Note or such other number of days as may be agreed by the Issuer and the Registrar and not contrary to the Regulations and notified promptly by the Issuer to the Noteholders .

## **8.6 Transfer on death, bankruptcy or liquidation of Noteholder**

The Registrar must register a transfer of a Note to or by a person who is entitled to do so in consequence of:

- (a) the death or bankruptcy (in the case of natural persons) or the liquidation or winding up (in the case of a corporation) of a Noteholder; or
- (b) the making of any vesting orders by a court or other judicial or quasi judicial body, in accordance with any applicable laws and upon receipt by it of such evidence as the Issuer or the Registrar may require.

## 8.7 Trusts

Without limitation, except as provided by statute or as required by order of a court of competent jurisdiction, no notice of any trust (whether express, implied or constructive) may be entered in the Register in respect of a Note and the Registrar is not obliged to recognise any trust.

## 9 Negative Pledge

The Issuer undertakes in favour of each Noteholder that, so long as any Notes are outstanding, it will not create or allow to come into existence any Security Interest which affects the Trust Property other than a Permitted Security Interest.

## 10 Events of Default

### 10.1 Events of Default

Each of the following is an Event of Default (whether or not it is in the control of the Issuer).

- (a) **(Breach of obligations)** the Issuer:
  - (i) fails to pay on the due date any amount due and payable on any Note, unless such failure is caused by administrative or technical error and such payment is made within 2 Business Days of the due date;
  - (ii) fails to comply with any Financial Covenant or with its obligations under Condition 9; or
  - (iii) does not observe any other material obligation under a Programme Document and, if the non-observance can be remedied, does not remedy the non-observance within 10 Business Days of being instructed to do so by a Noteholder;
- (b) **(Cross acceleration)** Debt of a Group Member totalling at least A\$20,000,000 or its equivalent is declared to be due and payable before its stated maturity as a result of an event of default (however described);
- (c) **(Insolvency)** an Insolvency Event occurs with respect to the Issuer or BWP Trust and (in the case of an Insolvency Event in relation to the Issuer only) such circumstance constitutes a ground for removal of the Issuer as responsible entity of the BWP Trust under the BWP Constitution and a new replacement trustee or responsible entity has not been appointed within 60 Business Days;
- (d) **(Unlawfulness)** it becomes unlawful for the Issuer to perform any of its obligations under the Programme Documents in a way that is materially adverse to the interests of the Noteholders;
- (e) **(Loss of indemnity)** in relation to the BWP Trust:
  - (i) the Issuer does anything, or omits to do anything, which will have the effect of releasing, waiving, harming or impairing its indemnity as responsible entity of the BWP Trust in respect of the Issuer's obligations under the Programme Documents; or
  - (ii) the Issuer ceases to be entitled to be indemnified out of the assets of the BWP Trust in respect of its obligations under the Programme Documents, or to have a lien over them;

- (f) **(Authorisation)** the Issuer ceases to be authorised under the BWP Constitution to hold property of the BWP Trust in its name or to perform its obligations under the Programme Documents;
- (g) **(Winding up of BWP Trust)** the beneficiaries of the BWP Trust resolve to wind up the BWP Trust, or the Issuer is required to wind up the BWP Trust under the terms of the BWP Constitution or applicable law, or the winding up of the BWP Trust commences, without the consent of the Noteholders by way of Majority Resolution;
- (h) **(Responsible Entity removed)** an order is made in any court of competent jurisdiction for the removal of the Issuer as responsible entity of the BWP Trust (unless it is replaced within 60 Business Days); and
- (i) **(Vitiating of documents)**
  - (i) All or any material part of a Programme Document is terminated or is or becomes void, illegal, invalid, unenforceable or of limited force and effect; or
  - (ii) a party becomes entitled to terminate, rescind or avoid all or a material part of a Programme Document.

## **10.2 Consequences of an Event of Default**

If any Event of Default occurs and is continuing in relation to a Note of any Series, then a Noteholder in any Series may by written notice to the Issuer (at the specified office of the Issuing Agent and with a copy of the Registrar) declare the Early Termination Amount (together with all accrued but unpaid interest (if any)) applicable to each Note held by the Noteholder to be due and payable immediately without further formality.

## **10.3 Notification**

If an Event of Default occurs, the Issuer must promptly after becoming aware of it notify the Registrar of the occurrence of the Event of Default (specifying details of it) and procure that the Registrar promptly notifies Noteholders of the occurrence of the Event of Default in accordance with Condition 12.

## **11 Time Limit for Claims**

A claim against the Issuer for a payment under a Note is void unless made within 5 years of the due date for that payment or the date, if later, on which that payment is fully provided for by the Issuer.

## **12 Notices**

### **12.1 Issuer, Registrar etc**

A notice or other communication to the Issuer, the Registrar and the Issuing Agent in connection with a Note must be in writing and may be sent by prepaid post or delivered to the address of the addressee, or by email to the email address of the addressee, specified in the section entitled "Directory" in the Information Memorandum or as otherwise agreed between those parties from time to time and notified by them to the Noteholders.

## **12.2 Noteholders**

A notice or other communication to a Noteholder in connection with a Note must be in writing and may be given by:

- (a) an advertisement published in *The Australian Financial Review* or any other newspaper having general circulation in Australia or if an additional or alternate newspaper is specified in the relevant Pricing Supplement, that newspaper; or
- (b) prepaid post or delivery to the address of the Noteholder as shown in the Register at the close of business 7 days prior to the despatch of the relevant notice or communication; or
- (c) if the relevant Note held by that Noteholder is lodged with and settled through the Austraclear System, the Issuer to the Registrar, who will in turn forward such notice or other communication to the operator of the Austraclear System for communication by that operator to the Noteholder.

## **12.3 When effective**

Unless a later time is specified in it, a notice, consent or other communication takes effect from the time it is received:

- (a) except where it is received after 5.00pm in the place of receipt or on a non-Business Day in that place, in which case it will be taken to have been received at 9.00am on the next Business Day in that place; or
- (b) which, in the case of a facsimile is deemed to be the time indicated in a transmission report by the machine from which the facsimile was sent which indicates that the facsimile was sent in its entirety to the facsimile number of the recipient notified for the purpose of this Condition 12.

Any notice published in a newspaper will be deemed to have been given on the date of first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers (as the case may be).

## **13 Meetings of Noteholders**

Meetings of Noteholders may be convened in accordance with the Meeting Provisions. Any such meeting may consider any matters affecting the interests of Noteholders, including, without limitation, the variation of the terms of the Notes by the Issuer and the granting of approvals, consents and waivers, and the declaration of an Event of Default.

## **14 Amendments**

The Deed Poll, the Conditions, the Notes and a Pricing Supplement may be amended, without the consent of any Noteholder if the amendment:

- (a) is for the purposes of curing any ambiguity or manifest error;
- (b) is for the purposes of correcting or supplementing any defective or inconsistent provisions, where that amendment does not adversely affect the interests of the Noteholders;
- (c) is of a formal, minor or technical nature;

- (d) is to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated;
- (e) only applies to Notes issued by it after the date of amendment; or
- (f) in any other manner which the Issuer and the Issuing Agent deem necessary or desirable.

The Deed Poll, the Conditions, the Notes and a Pricing Supplement may otherwise be varied with the approval of the Noteholders in accordance with the Meeting Provisions.

## **15 Further Issues**

The Issuer may from time to time and without the consent of the Noteholders create and issue further notes or securities or other similar instruments. The Issuer may issue further notes so as to form a single Series with any Tranche of Notes.

## **16 Governing Law and Jurisdiction**

- (a) The Notes are governed by the laws of Western Australia.
- (b) Each party irrevocably submits to the exclusive jurisdiction of the courts of Western Australia.
- (c) Each party irrevocably waives any objection to the venue of any legal process on the basis that the process has been brought in an inconvenient forum.
- (d) Each party irrevocably waives any immunity that it may acquire from the jurisdiction of any court or any legal process for any reason including the service of notice, attachment before judgment, attachment in aid of execution or execution.

## TAXATION

### 1. Australian Taxes

---

The following statements are only general summaries and are based on advice received by the Issuer. Purchasers of Notes should consult their own tax advisers concerning the consequences, in their particular circumstances, under Australian tax laws, and the laws of any other taxing jurisdiction, of the ownership of or any dealing in any Notes. Any such dealing would need to comply with the selling restrictions and securities law generally. Unless otherwise indicated, capitalised terms used in the summary are defined in the relevant Conditions.

The following is a summary of some of the Australian tax consequences for Noteholders, at the date of this Information Memorandum, of payments of interest (and amounts in the nature of interest) on Notes and certain other matters. It is not exhaustive, and in particular, does not deal with the position of certain classes of Noteholders (such as dealers in securities). Nor does it deal with Other Notes (if such Notes are issued, the Australian taxation treatment of those Other Notes will be discussed in the relevant Pricing Supplement). Prospective Noteholders should be aware that the particular terms of issue of any Series of Notes may affect the tax treatment of that and other Series of Notes. The following is a general guide and should be treated with appropriate caution. Noteholders who are in any doubt as to their tax position should consult their professional advisers.

Under Australian law, as currently in effect, the holder in respect of any right or interest in a Note will not incur or become liable for any Taxes or duties of whatever nature in respect of principal and premium, if any, or of interest on a Note, other than withholding tax on interest, if the Noteholder is not a resident of Australia for Australian tax purposes and does not carry on business in Australia through a permanent establishment to which the holding of such Notes or interest therein is attributable or effectively connected (within the meaning of applicable Australian tax legislation and double taxation agreements).

#### **Interest withholding tax**

##### *Section 128FA exemption from Australian interest withholding tax*

Interest on Notes held by foreign investors will qualify for the exemption from Australian interest withholding tax under section 128FA of the Tax Act where certain conditions are satisfied. For the exemption under section 128FA of the Tax Act to be available:

- (a) the Issuer must be an eligible unit trust which is a resident of Australia when it issues Notes and when interest is paid on those Notes. For these purposes, 'interest' includes an amount in the nature of, or in substitution for, interest;
- (b) the public offer test must be satisfied. The public offer test may be satisfied in one of a number of ways. In summary, the ways of satisfying the public offer test are:
  - (i) offers to at least 10 or more professional market financiers, investors or dealers in securities who are not associates of each other;

- (ii) offers to 100 or more potential investors whom it is reasonable to regard as being interested in acquiring the Notes;
  - (iii) offers of listed Notes;
  - (iv) offers as a result of negotiations being initiated publicly via electronic or other market sources; and
  - (v) offers to dealers, managers or underwriters who, under an agreement with the Issuer, offer to on-sell the Notes within 30 days by one of the preceding methods;
- (c) the exemption under section 128FA of the Tax Act will not be available if:
- (i) at the time of issue, the Issuer knows, or has reasonable grounds to suspect, that a Note or an interest in a Note was being, or would later be, acquired directly or indirectly by an Offshore Associate (defined above) of the Issuer other than one acting in the capacity of a dealer, manager or underwriter in relation to the placement of Notes or in the capacity of a clearing house, custodian, funds manager or responsible entity of a registered scheme (within the meaning of the *Corporations Act*); or
  - (ii) the Issuer knows, or has reasonable grounds to suspect, at the time of payment that interest in respect of a Note is to be paid to an Offshore Associate of the Issuer other than one receiving the payment in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of an Australian registered scheme (within the meaning of the *Corporations Act*).

Unless the relevant Pricing Supplement otherwise provides, the Issuer proposes to issue the Notes in a manner which will satisfy the public offer test and which otherwise meets the requirements of section 128FA of the Tax Act.

#### *Exemptions under certain double tax agreements*

The Australian government has double tax agreements (***Specified Treaties***) with a number of countries (each, a ***Specified Country***) which contain an exemption from Australian interest withholding tax in certain circumstances. The Specified Treaties apply to interest derived by a resident of a Specified Country.

While the precise requirements vary from treaty to treaty, broadly, the Specified Treaties effectively prevent Australian interest withholding tax applying to interest derived by:

- (a) governments of the Specified Countries and certain governmental authorities and agencies in a Specified Country; and
- (b) a 'financial institution' resident in a Specified Country which is unrelated to and dealing wholly independently with the Issuer. The term 'financial institution' refers to either a bank or any other enterprise which substantially derives its profits by carrying on a business of raising and providing finance. However, interest paid under a back to back loan or an economically equivalent arrangement will not qualify for this exemption.

The category of Specified Countries currently includes the United States, the United Kingdom, Switzerland, Germany, France, Japan, New Zealand, South Africa, Norway and Finland. The Australian Federal Treasury maintains a listing of Australia's double tax conventions which provides details of country, status, withholding tax rate limits and Australian domestic implementation. This listing is available to the public on the Federal Treasury's Department website.

#### *Payment of Additional Amounts*

If the Issuer should at any time be compelled by law to deduct or withhold an amount in respect of any Taxes, the Issuer must (unless the Pricing Supplement states that a Tranche of Notes will not be public offer test compliant and that the Issuer need not gross up for Taxes in respect of those Notes) pay an Additional Amount as may be necessary in order to ensure that the net amount received by the Noteholder after such deduction or withholding equals the amount which would have been receivable had no such deduction or withholding been required. However, no such Additional Amounts will be payable by the Issuer:

- (a) in respect of a Tax that is an Excluded Tax;
- (b) to, or to a third party on behalf of, a Noteholder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or similar cause for exemption to any tax authority in the place where payment under the Note is made;
- (c) where the Note is presented for payment more than 30 days after the due date except to the extent that a Noteholder would have been entitled to Additional Amounts on presenting the same for payment on the last day of the period of 30 days assuming, whether or not such is in fact the case, that day to have been a Business Day;
- (d) to, or to a third party on behalf of, a Noteholder who is liable for the Taxes in respect of the Notes by reason of the Noteholder being an associate (within the meaning of section 128FA of the Tax Act) of the Issuer;
- (e) to, or to a third party on behalf of an Australian resident Noteholder, if that person has not supplied an appropriate tax file number, Australian business number or other exemption details;
- (f) where such withholding or deduction is required under or in connection with FATCA; or
- (g) in such other circumstances as may be specified in the Pricing Supplement.

#### **Other tax matters**

The Issuer has been advised that under Australian law as presently in effect:

- (a) assuming the requirements of section 128FA of the Tax Act are satisfied with respect to the Notes, payments of principal and interest to a Noteholder, who is a non-resident of Australia and who, during the taxable year, has not engaged in

trade or business at or through a permanent establishment within Australia will not be subject to Australian income taxes;

- (b) a Noteholder, who is a non-resident of Australia and who has never held Notes as part of a trade or business carried on by it at or through a permanent establishment within Australia, will not be subject to Australian income tax on gains realised during that year on sale or redemption of Notes, provided such gains do not have an Australian source. A gain arising on the sale of a Note by a non-Australian resident Noteholder to another non-Australian resident where the Note is sold outside Australia and all negotiations are conducted and documentation executed outside Australia would not generally be regarded as having an Australian source;
- (c) no Note will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (d) withholding tax may be imposed at a rate that is currently 47% on payments of interest on the Notes unless the payee has quoted an Australian tax file number (**TFN**), (in certain circumstances) an Australian Business Number (**ABN**) or proof of some other exemption (as appropriate). This type of withholding tax will not apply to payments to Noteholders who are not residents of Australia for Australian tax purposes and do not hold their Notes in the course of carrying on business at or through a permanent establishment in Australia provided that the requirements of section 128FA of the Tax Act are satisfied;
- (e) neither the issue nor receipt of the Notes will give rise to a liability for goods and services tax (**GST**) in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or, where the Notes are issued to a subscriber located outside Australia, a GST-free supply. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes would give rise to any GST liability in Australia; and
- (f) the Tax Act contains a regime for the taxation of financial arrangements (referred to as the **TOFA regime**) that may apply to the Notes. However, the law that governed the taxation of financial arrangements before the introduction of the TOFA regime will continue to apply to Notes held by taxpayers that are not subject to the TOFA regime because they do not meet certain threshold requirements. In any case, the TOFA regime does not contain any measures that would override the exemption from Australian interest withholding tax available under section 128FA of the Tax Act in respect of interest payable on the Notes.

## 1. U.S. Foreign Account Tax Compliance Act and OECD Common Reporting Standard

---

### FATCA

Under sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (**FATCA**), a 30% withholding (**FATCA withholding**) may be required if:

- (a)

- (i) an investor does not provide information sufficient for the Issuer or any other non-U.S. financial institution (**FFI**) through which payments on the Notes are made to determine the Noteholder's status under FATCA; or
  - (ii) an FFI to or through which payments on the Notes are made is a "non-participating FFI"; and
- (b) the Notes are treated as debt for U.S. federal income tax purposes and the payment is made in respect of Notes issued or modified after the date that is six months after the date on which final regulations defining the term "foreign passthru payment" are filed with the U.S. Federal Register, or the Notes are treated as equity for U.S. federal income tax purposes, whenever issued.

Reporting Australian Financial Institutions (**RAFI**s) under the Australia–U.S. FATCA Intergovernmental Agreement dated 28 April 2014 (**Australian IGA**) must comply with specific due diligence procedures to identify their account holders and provide the Australian Taxation Office (**ATO**) with information on financial accounts held by U.S. persons and recalcitrant account holders. The ATO is required to provide such information to the U.S. Internal Revenue Service. Consequently, Noteholders may be requested to provide certain information and certifications to the Issuer and to any other financial institutions through which payments on the Notes are made. A RAFI that complies with its obligations under the Australian IGA will not be subject to FATCA withholding on amounts it receives, and will not be required to deduct FATCA withholding from payments it makes, other than in certain prescribed circumstances.

In the event that any amount is required to be withheld or deducted from a payment on the Notes as a result of FATCA, pursuant to the terms and conditions of the Notes, no additional amounts will be paid by the Issuer as a result of the deduction or withholding.

#### **Common Reporting Standard**

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (**CRS**) requires certain financial institutions to report information regarding certain accounts (which may include the Notes) to their local tax authority and follow related due diligence procedures. Noteholders may be requested to provide certain information and certifications to ensure compliance with the CRS. A jurisdiction that has signed a CRS Competent Authority Agreement may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement. The Australian Government has enacted legislation amending, among other things, the Taxation Administration Act 1953 of Australia to give effect to the CRS.

This document constitutes the Pricing Supplement relating to the issue of Notes described below. Terms used in it are deemed to be defined as such for the purposes of the Conditions set out in the Information Memorandum. This Pricing Supplement is supplemental to and must be read in conjunction with such Conditions.

**PROHIBITION OF SALES TO EEA RETAIL INVESTORS** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the **EEA**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, **MiFID II**); (ii) a customer within the meaning of Directive (EU) 2016/97 (the **Insurance Distribution Directive**), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the **Prospectus Regulation**). Consequently, no key information document required by Regulation (EU) No 1286/2014 (the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

Consequently, no key information document required by

Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

**[UK MiFIR PRODUCT GOVERNANCE/TARGET MARKET** – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (**'COBS'**), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**UK MiFIR**); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

**Singapore SFA Product Classification** – *[In connection with Section 309B of the Securities and Futures Act 2001 of Singapore (the **SFA**) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the **CMP Regulations 2018**), the Issuer has determined, and hereby notifies all relevant persons (as defined in the Section 309A(1) of the SFA), that the Notes are [prescribed capital markets products] / [capital markets products other than prescribed capital markets products] (as defined in the CMP Regulations 2018) and [are] [Excluded] / [Specified] Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendation on Investment Products).]*

## SELLING AND TRANSFER RESTRICTIONS

*The Dealers have in the Dealer Agreement agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes.*

*The selling restrictions agreed between the Issuer and the Dealers are set out below. The restrictions may be amended from time to time by the Issuer, in accordance with the Dealer Agreement. In addition, the applicable Pricing Supplement may specify further selling restrictions agreed between the Issuer and the relevant Dealer in relation to any Tranche of Notes.*

*The selling restrictions are as follows.*

### 1. General

---

By its purchase and acceptance of Notes issued under the Dealer Agreement, each Dealer represents, warrants and agrees that it will comply with all applicable laws and regulations in force in any jurisdiction in which it purchases, offers or sells the Notes or possesses or distributes this Information Memorandum.

If any Note is offered or sold outside Australia or to a non-Australian resident, the Dealer will comply with any additional selling restrictions specified in the Pricing Supplement relating to an issue or offering of Notes in a particular jurisdiction outside Australia or to a non-Australian resident.

This Information Memorandum does not constitute and may not be used as an offer or invitation in any place where, or to any person to whom, it would not be lawful to make the offer or invitation.

This Information Memorandum has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason.

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

This Information Memorandum does not constitute an offer to sell or the solicitation of an offer to any person in the United States. Distribution of this Information Memorandum by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States, is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States, is prohibited.

### 2. Australia

---

This Information Memorandum has not been, and no prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any Notes has been, or will be, lodged with or registered by the Australian Securities and Investments Commission (**ASIC**). Each Dealer has represented and agreed, and each further Dealer

appointed under the Programme will be required to represent and agree with the Issuer, that, in connection with the distribution of the Notes in Australia, unless the relevant Pricing Supplement (or another supplement to this Information Memorandum) otherwise provides, it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum or any other offering material or advertisement relating to any Notes in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency, in either case, disregarding moneys lent by the offeror or its associates) or the offer or invitation does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
- (ii) the offer or invitation does not constitute an offer to a 'retail client' as defined for the purposes of section 761G and section 761GA of the Corporations Act;
- (iii) such action complies with any applicable laws and directives in Australia (including any applicable licensing requirements); and
- (iv) such action does not require any document to be lodged with ASIC.

Offshore Associates (as defined above) of the Issuer should not acquire the Notes, upon their initial distribution unless they are acting in the capacity of a dealer, manager or underwriter in relation to the placement of the Notes or in the capacity of a clearing house, custodian, funds manager or responsible entity of a registered scheme (within the meaning of the Corporations Act), or otherwise unless they are acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme (within the meaning of the Corporations Act).

### 3. United States of America

---

The Notes have not been and will not be registered under the *U.S. Securities Act of 1933*, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act.

Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act (the **Regulation S**).

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealer Agreement, it has not offered, sold or delivered and will not offer or sell or deliver the Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of an

identifiable Tranche of which such Notes are a part, as determined and certified to the Issuing Agent by such Dealer (or, in the case of an identifiable Tranche of Notes sold to or through more than one Dealer, by each of such Dealers with respect to Notes of an identifiable Tranche purchased by or through it, in which case the Issuing Agent shall notify such Dealer when all such Dealers have so certified), within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting out the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S.

The Notes are being offered and sold outside of the United States to non-U.S. persons in reliance on Regulation S.

In addition, until 40 days after the commencement of the offering of any identifiable Tranche of Notes, an offer or sale of Notes within the United States by any dealer that is not participating in the offering of such Tranche of Notes may violate the registration requirements of the Securities Act.
